Joke of the week

(This ones for the ladies)

I was out walking with my 4 year old daughter. She picked up something off the ground and started to put it in her mouth. I took the item away from her and I asked her not to do that. "Why?" my daughter asked. "Because it's been laying outside, you don't know where it's been, it's dirty and probably has germs," I replied. At this point, my daughter looked at me with total admiration and asked, "Wow! How do you know all this stuff?" "Uh,"I was thinking quickly, "All moms know this stuff. It's on the Mommy Test. You have to know it, or they don't let you be a Mommy." We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information. "OH...I get it!" she beamed, "So if you don't pass the test you have to be the daddy." "Exactly!" I replied back with a big smile on my face and joy in my heart. When you're finished laughing, send this to a Mom!

with the TNI radio staff in Salluit about radio games to promote TNI's 30th anniversary. It was decided that the games will begin on October 3rd, and continue to be played once a day, until November 29th 2005. Julie will be working on a schedule for the games, which she will be sending to all the staff once completed.

The games will be played every day. We will be alternating from the morning show to the afternoon show, and the games will apply to a different community every day. So every community will get 3 chances to play. For every winner (one winner per day) a prize will be sent by mail. The prizes will be hats, pens and pins, and T-shirts.

TNI Kuujjuaq's TV Center Shuts Down

It is now official, the TNI television production center in Kuujjuaq is shutting down. Evie Mark is moving to Montreal on Tuesday, September 27th 2005. She will be in the office until Friday, and next week, she will be taking the week off to look for an apartment. Jeannie Nayoumealuk, who is presently

on sick leave, will be moving to Montreal as soon as she is able to. (Jeannie was in Montreal last week, undergoing surgery.)

Therefore, as of Today, September 26th 2005, there are no longer any television operations out of Kuujjuaq.

Sandy Tooma's office will remain where it is, and we are looking to hire an assistant to work with him.
