**T**une in on to APTN on Tuesday for Nunavimiut program on the Puvirnitug Youth Camp.

Come and watch a few of the skills some Inuit children have the privilege of doing during their time at the Puvirnitug youth camp. Funding permitted, this camp operates for a specific period during the summer and provides youth with important life skills. Meet the people who make it all come together and some of the youth who enjoy spending their time there.

The show will be broadcast four times during the day on January 13th 2004. You could watch it at 11:00am, at 2:00pm, at 6:00pm, or at 11:00pm eastern time.

So tune in for an episode of fun with the kids!

## Shift in Employees

There has been a movement in the employees working for TNI. First of all, congratulations to Joanassie

Koperqualuk, for his promotion to the new Dalet Coordinator position. Joanassie is working at the Salluit office, so he can always be reached there.

Next, Elisapee Koperqualuk is the new secretary/receptionist at the Salluit office. She will be taking over Joanassie's old duties. Welcome Elisapee!

We have also lost two of our employees at the TNI Dorval office. Clara Amittuq and Siasi Audlaluk are no longer working for us. Therefore, TNI will be looking to hire new personnel to replace them.
