

TNI Newsletter

THIS WEEK AT TNI...

There are a few things going on in all the TNI offices this week, but I'll start with a general announcement; The 2004-05 APTN season is starting on October 4th, in two weeks. So TNI's Nunavimmiut will be airing every Tuesday, and repeated every Thursday. I'll give you more details about the upcoming episode in the coming weeks.

IN KUUJJUAQ...

First of all, I'll let you all know that Sammy Duncan was blessed with a healthy baby boy last week. On behalf of everyone at TNI, I'd like to congratulate Sammy and his girlfriend! Sammy is now back in Kuujjuaq.

Jeannie Nayoumealuk is also back in Kuujjuaq, and is therefore back at the office.

Sandy Tooma has a bad cold, but he is still at work!

The filming went well in Kuujjuaq, so Bobby Kenuajuaq is now on his way back to Puvirnituk. He should be arriving there sometime today. Dave Stonier is Also on his way back home today.

IN SALLUIT...

The Internet is now back in Salluit, so e-mail's are now getting through.

The two guys that were taking a safety course last week are now on their way up to Salluit. They will be building the foundation for the TNI Regional Network tower, and then, they'll be putting up the tower.

Dominic Guay is now done his work, so he should be back home today. He

Never argue with a woman

One morning the husband returns after several hours of fishing and decides to take a nap. Although not familiar with the lake, the wife decides to take the boat out. She motors out a short distance, anchors, and continues to read her book.

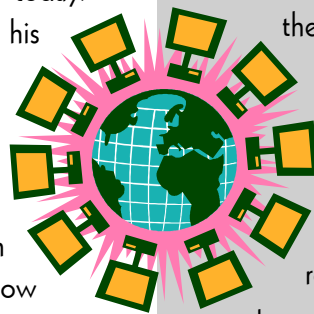

Along comes a game warden in his boat. He pulls up alongside

the woman and says,

"Good morning Ma'am. What are you doing?"

"Reading a book," she replies, (thinking, "Isn't that obvious?").

"You're in a restricted fishing area," he informs her. "I'm sorry officer, but I'm not fishing, I'm reading." "Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to take you in and write you up," says the warden. "If you

do that, I'll have to charge you with sexual assault," says the woman.

"But I haven't touched you," says the game warden.

"That's true, but you have all the equipment. For all I know you could start at any moment."

"Have a nice day ma'am", and he left.

MORAL: NEVER ARGUE WITH A WOMAN WHO READS. IT'S LIKELY SHE CAN ALSO THINK!!!!!!

was supposed to take first Air yesterday, but they bumped him from the flight so he is coming down today.

IN DORVAL...

All week this week, different people will be coming in to record the French and English voices for the Dog Killing production. And on Saturday, September 25th, Guy Fradette will be directing another scene, which Makivik asked for, to include in the production. The scene will be filmed in the Grenier's garage!

Judy Frederick will be back from her vacation on Wednesday, September 22nd.

On Friday September 24th, Julie Grenier and Akenisie Qumak will be going to Ottawa with Guy Fradette to film Josie Kusugak, the President of ITK. He will be giving a presentation to University students

at the University of Ottawa. We will then be doing an Interview with him at the ITK office. We are doing a production on ITK, and this footage will be used for that.

**HAVE A GOOD
WEEK EVERYONE!**
