Featuring this week on Nunavimiut: Kuujjuaq Youth Week-End

Tune in to Nunavimiut on APTN this week to watch Kuujjuaq Youth Week-End.

"Kuujjuaq Youth Weekend" hosted for the second time brought youth together from as far away as Iqaluit, Ottawa and Montreal. The youth have spent all their time and energy preparing over the past year for the chance to showcase or even "show off" their skills, talents and disciplines. From the kicking and blocking of Karate to the close combat and strategic throws of Judo to the jaw crunching and upper cuts of boxing onto the toe tapping, skirt and

umbrella twirling of dancing – the youth will excite and thrill you with their extraordinary abilities. The long, hard hours of practice pay off big time when they perform for their families, friends, coaches and mentors. New friendships, confidence and self-esteem; gained when you bring

youth together. They learn to work together as a team but also to excel as individuals – an important part in moulding their character. Kudos for all the people who make this happen and give the youth a place to grow. When youth gain positive growth from each other, what more can we ask for?

You could watch Nunavimiut every Tuesday at 10:00 am, 3:00 PM and 6:30 PM.

You could also catch a rerun of every Tuesday's episode on Thursdays, at 8:00 PM of the same week.

Employee celebrates Anniversary with TNI

Once again, one of our employees makes it past the one year threshold. I am pleased to say that Allison Irqumia, January 19th 2005, will be celebrating her first year with Taqramiut Nipingat.

“Echo of the Last Howl”

The premiere of "Echo of the Last Howl", a production produced by Taqramiut Productions for Makivik Corporation will be on Wednesday, January 19th 2005, in Kuujjuaq, at the Town Hall. There are special invited guests from all Nunavik communities, as well as a large number of journalists from different parts of Canada.

TNI will be covering the event, by radio, as well as by television. Sandy Tooma will do the coverage for the radio while Bobby Kenuajuak, Guy Fradette and Julie Grenier will be filming the event. They will be doing some interviews with different people, to get an idea of how they felt about the movie, and the story behind it.

So, on behalf of everyone at TNI, I would like to congratulate Allison.

Traveling this week

A few people will be travelling to Kuujjuat this week. Bobby Kenuajuak will be traveling from Puvirnituaq to Kuujjuaq on Monday, January 17th, and returning to Puvirnituaq on Friday, January 21st 2005.

Also, Julie Grenier and Guy Fradette will be traveling from Montreal to Kuujjuaq on Tuesday, January 18th, and returning to Montreal on Thursday, January 20th 2005.

TNI’s 30th Anniversary

Claude Grenier, Janet York and Julie Grenier had their first official meeting of 2005 for the 30th anniversary projects.

It was decided that Janet will be keeping contact with Timmiaq in Salluit for the radio projects. Janet

was also put in charge of finding funding for all projects.

Julie, on the other hand, was put in charge of all projects relating to the promotion of our 30th anniversary. (Promotional materials, visual materials, etc)

So if anyone has any questions, comments, etc., they can either call Janet or Julie, at the TNI Dorval office, or e-mail them.

TNI server

The TNI server will be receiving an update this week. Fean-Francois Bourque worked on it last week-end, and he should be finishing this week.
